

Dear colleague,

Easyread guidance from the Equality and Human Rights Commission

I am writing to introduce two easyread materials: guidance on equality duties and a booklet on human rights.

A short guide to the equality duties for social care service users

The Equality and Human Rights Commission has published Easyread guidance to the Equality Duties in a social care context, to support people with learning disabilities when engaging with public authorities to challenge institutional discrimination.

'Ours to own' - a booklet about human rights and what they mean for you

This booklet explain what human rights mean in the context of everyday life, how they have affected real people and why they are therefore so important.
