

Dear All,

BBC Three is currently looking to speak to young people who feel they have been victims of disability hate crime.

They would like to hear about your experiences of abuse and what effect this has had on your life. Do you think disability hate crime is under-reported? What do you think can be done to tackle the problem in your area?

The forms and contact are on the BBC link

<http://www.bbc.co.uk/news/uk-12186187>

Please forward this onto your networks.

Thanks,
Yvonne
